

VOLLUZZI

Volluzzi is Italian inspired sophistication! This sofa offers manually adjustable head rests for each seat for additional neck support. The back and seat cushions are fixed. The back cushions are made with hyper-soft foam and cut with special 3D technology to achieve the best comfort and durability. The arms have soft rounded shapes that contribute to the elegance of this sofa. Volluzzi is built on a strong metal frame. We offer optional lumbar cushions for even more support. The sofa is available with new organic shaped black metal legs that fit the sofa beautifully.
